

Directions to OREGA Staines (Ash House, Fairfield Avenue)

From M25 (Junction 13)

Leave the M25 at Junction 13 onto the A30 (signposted to Staines and London)

Follow the dual carriage way until the next junction (this is the Crooked Billet roundabout), and follow the slip road staying in the right hand lane.

Follow the roundabout crossing the dual carriage way you have just exited, and take the last exit before going back on yourself signposted to Staines (London Road)

You will then pass a Petrol Station on your right hand side, from which point you will need to position yourself in the right hand lane ready to turn right into Fairfield Avenue at the next lights.

Once in Fairfield Avenue, having followed the road round to the left, you will see the ASH HOUSE stainless steel canopy on the left. Turn into the service road immediately after the canopy and report to reception where you will be warmly welcomed and provided with parking instructions.

The Reception Telephone number is 01784 22 4200 in case you need to call whilst on route or for directions using alternative routes or from other directions.
